

TERMS AND CONDITIONS SUBSCRIPTION PLAN

If you make a subscription purchase for repeated deliveries or other ongoing services (a “Service Subscription”), then you hereby authorize ‘Sense Ecuador’ and its service providers to bill your credit card the amounts at the time intervals described on our Service (or at approximately those time intervals, to accommodate for holidays and other irregularities) until you terminate your Service Subscription or until the end of the Service Subscription period. In cases where your credit card expires, is canceled, is over the limit, or is otherwise declined for any reason, we will not continue to deliver the bouquets or renew your Service Subscription, though we may, but are not obligated to, contact you to notify you about the issue.

At the expiration of the pre-paid period of your Service Subscription, your Service Subscription will renew automatically at the frequency referenced on your subscription page (or if not designated, then monthly). You will be charged applicable subscription and delivery fees until you cancel your subscription or we terminate it. You may cancel your subscription at any time by emailing customerservice@sensecuador.com.

We reserve the right to adjust pricing for any subscription in any manner and at any time as we may determine in our sole and absolute discretion. Except as otherwise expressly provided for in this Agreement, any price changes to your Service Subscription will take effect on the next renewal date.

HOW IT WORKS:

Your Subscription Plan will last 6 months, in which you will receive an incredible bouquet every 15 days (12 bouquets total). You’ll pay for 12 stems and receive 24 in each bouquet and also save 15% on the total value.

*The initial plan lasts 6 months but would be automatically renewed if an instruction to the contrary is not received.
